What is the Hainan free trade port law?

On June 10, 2021, the 29th meeting of the Standing Committee of the 13th National People's Congress passed the Hainan Free Trade Port Law of the People's Republic of China, which determined to establish and improve the Hainan Free Trade Port customs supervision special zone system with closed-off customs operations on the entire island.

Should Hainan have a zero-tariff system?

With a zero-tariff system fundamentally in place after the independent customs operation, high-quality global resources can flow into Hainan with greater freedom and efficiency, Wu said. Trade liberalization and facilitation are defining features of a free trade port.

How will the Ministry of Commerce support Hainan?

The Ministry of Commerce will make more efforts to support Hainan in aligning with high-standard international economic and trade rules, enhancing institutional openness, and fostering new growth drivers through targeted measures, Jiang said.

Will Hainan FTP be a key gateway for China's new era?

“With the independent customs operations, Hainan FTP is poised to become a key gateway for China's new era of opening up and innovation,” Cai added. China's Hainan Free Trade Port (FTP) is set to launch an island-wide independent customs operation on Dec. 18, 2025, underscoring the country's wider push for high-standard opening up.

This business model is highly applicable to the Hainan FTP tariff-free policy. In April 2018, China announced a decision to develop Hainan into a pilot free-trade zone while gradually exploring ...
