What is the Toronto solar Directory?

The City of Toronto's Solar Directory is a resource provided to help the public browse solar companies that service the Greater Toronto Area, including Toronto. The content for this directory was generated through a survey promoted and sent out to known operators in the solar sector and was last updated in February 2024. The Directory [...]

Does Canadian Green Tech offer turnkey solar installations?

For those who prefer a hassle-free experience, Canadian Green Tech also offers turnkey solar installation through certified professionals. From custom system design and permits to full installation and final inspection, they handle the process start to finish, ensuring maximum efficiency and long-term performance.

How do I get a solar quote in Toronto?

A best practice is to obtain at least three quotes. The Solar Directory is available in Excel format upon request to SolarTO@toronto.ca. The City of Toronto's Solar Directory is a resource provided to help the public browse solar companies that service the Greater Toronto Area, including Toronto.

Why should you choose Toronto solar solutions?

"Choosing Toronto Solar Solutions was one of the best decisions I made for my business. Their knowledgeable team guided me through the entire process, addressing all my concerns and providing a tailored solar solution for my commercial property. The installation was efficient, and the system has been performing flawlessly ever since.
