How does the DC government purchase goods and services?

The District and federal governments purchase a variety of goods and services. The Office of Contracting and Procurement is the main procurement source for DC government purchases. The federal government provides several avenues for procurement opportunities.

Can federal agencies implement microgrids at their sites?

Report explores procurement options and agreements that may be useful to federal agencies interested in implementing microgrids at their sites. The free, online REopt platform is designed to help building owners, developers, utilities, researchers, and everyday citizens understand their optimal energy solution.

What is the DC supply schedule (DCSS)?

The DC Supply Schedule (DCSS) is the city's multiple award schedule procurement program for providing commercial products and services to District government agencies. Other governments within the Metropolitan Washington Region may utilize the DCSS. For more information visit the Office of Contracting and Procurement website.

When does the procurement center of Excellence reopen?

The Procurement Center of Excellence will be closed on Thursday, October 30, 2025. The Center will reopen on Friday, October 31, 2025 at 9:00am. View open Requests for Quotations (RFQs) and Requests for Task Order Proposals (RFTOPs).
