What is the Belt & Road Initiative (BRI)?

China has also pledged to make the BRI more transparent, inclusive, and sustainable, in response to international concerns. The Belt and Road Initiative is more than a development project--it is a strategic vision for reshaping the global economic landscape. It reflects China's ambitions to lead in global trade, diplomacy, and innovation.

What is China's Belt & Road Initiative?

1. China's Belt and Road Initiative (BRI) spans over 140 countries, cutting across Asia, Africa, the Middle East, and Latin America. The U.S. Government Accountability Office (GAO) estimates China has committed \$679 billion in global infrastructure financing under the BRI--far surpassing the \$76 billion invested by the U.S. during the same period.

Will the Belt & Road Initiative reshape global supply chains?

As the global economy experiences significant changes marked by increased disruptions and escalating geopolitical tensions, the Belt and Road Initiative (BRI) is expected to assume a crucial role in reshaping global supply chains.
