Why should you choose an electrical cabinet manufacturer in India?

India is home to a diverse range of electrical cabinet manufacturers offering customized solutions to meet various industrial and commercial needs. From IEC/NEMA/IP-rated enclosures to server racks and UPS cabinets, these manufacturers provide durable and reliable products designed to ensure safety and optimal performance in demanding environments.

What is a genset container?

Containers are top lifting enclosures and are part of a unit along with a Diesel Generator Set. Their design is based on the core principles of an ISO Shipping container and these enclosures are completely welded. Our containers are hugely popular among generator set manufacturers & genset rental companies owing to their durability & sturdiness.
