What is a battery cabinet?

Equipped with the HindleHealth System, the Battery Cabinet will keep your battery at the ideal temperature in the most extreme of environments, giving you peace mind. HindlePower's Outdoor Battery Cabinet takes a proactive approach to hydrogen mitigation.

What is a lithium ion battery charging and storage cabinet?

The new Justrite lithium ion battery charging and storage cabinet provides the ideal storage solution. Featuring ChargeGuard(TM) technology, this new cabinet was designed especially for minimizing the risks of battery fires and thermal runaway that arise when storing and charging lithium ion batteries in the workplace.

What is an outdoor Battery Cabinet?

HindlePower's Outdoor Battery Cabinet is constructed of extremely durable injected foam panels that achieve a level of thermal performance not previously seen in traditional battery cabinets. Feel confident your batteries will maintain 65°F for outdoor ambient temperatures down to -40°F and 77°F for outdoor ambient temperatures to 122°F.

What is a lithium-ion battery charging Safety Cabinet?

Justrite's Lithium-Ion battery Charging Safety Cabinet is engineered to charge and store lithium batteries safely. Made with a proprietary 9-layer ChargeGuard(TM) system that helps minimize potential losses from fire, smoke, and explosions caused by Lithium batteries. Shop Now
