What is pylontech energy storage outdoor cabinet?

Description Pylontech Energy Storage Outdoor Cabinet is for low voltage energy storage systems. Modular design maximising energy storage flexibility Lithium Iron Phosphate Cell (LFP) inside, enabling a very safe with a long-life battery Quick connector to save installation time.

What is solar battery storage & how does it work?

Battery storage is a smart way to offset your electricity costs as you maximise solar energy usage and minimise reliance on the grid. When combined with a new or existing solar power system, home batteries allow you to maximize the use of your solar energy by storing excess electricity produced during the day for use at any time.

Who are the leading manufacturers of solar power?

We've partnered with industry leading manufacturers such as Fronius, REC, Victron, Tesla Powerwall, Phono Solar, BYD, Freedom Won, Shoto, Hopergy, S-5! and Tigo to deliver a wide range of solutions to our clients and to meet the needs of domestic, commercial, industrial, off-grid and utility scale solar power solutions.
