What is Energy Safe Victoria procurement?

Procurement is the end-to-end process that governs the sourcing, contract management and day-to-day purchasing of goods and/or services on behalf of Energy Safe Victoria. Energy Safe Victoria is aligned with the Victorian Government Purchasing Board procurement framework and its supply policies for goods and services.

What is Energy Safe Victoria?

Energy Safe Victoria is aligned with the Victorian Government Purchasing Board procurement framework and its supply policies for goods and services. Energy Safe Victoria seeks to ensure the following four principles are met during our procurement processes:

Where can I find information about suppliers in Victoria?

Information for suppliers on Victorian tenders, supplier panels, registers and current and future opportunities to supply to government. Use the Buying for Victoria Supplier Portal- the Victorian Government tender system - to view and respond to tender opportunities. Find out how to apply for a state purchase contract, panel or register.

How do I Lodge a complaint about an Energy Safe Victoria procurement process?

To lodge a complaint regarding an Energy Safe Victoria procurement process, please email the details of your complaint to procurement@energysafe.vic.gov.au For general information regarding Energy Safe Victoria's procurement practices, please contact the team via email at: procurement@energysafe.vic.gov.au
