What is a battery cabinet?

A battery cabinet houses and protects the batteries that supply stored energy to a UPS system. It ensures that backup power is readily available whenever primary power is interrupted. Battery cabinets can be installed indoors or outdoors and are designed to provide secure, organized, and scalable energy storage for continuous power delivery.

Does Staples offer a battery backup & uninterruptible power supply (UPS)?

Shop Staples' collection of battery backups and uninterruptible power supplies (UPS) to protect your data and technology.
